WTP Trivia: What show is this quote from?

“But what stupendous good fortune! What an answer to prayer. A guest house, and a charming hostess. My Rolls Royce, alas, has run into a snowdrift. blinding snow everywhere. I do not know where I am. Perhaps, I think to myself, I shall freeze to death. And then I take a little bag, I stagger through the snow, I see before me big iron gates. A habitation! I am saved. Twice I fall into the snow as I come up your drive, but at last I arrive and immediately - despair turns to joy. You can let me have a room - yes?”
